RE: Brent Bazinet Alexander

To Whom It May Concern:

I am writing this letter to express my appreciation for the professionalism and commitment to the community demonstrated by Brent Bazinet Alexander. I have had the pleasure for the past year of serving with Brent on the Board of Directors of the Calgary Parking Authority and have greatly valued his wisdom and advice as we tackled many governance and management issues. Brent consistently offers insightful and constructive perspectives on the often complex matters facing a public agency such as the CPA. He has also shown a willingness to take the lead on several initiatives and has always delivered on any commitments he has made to the Board.

Perhaps most importantly, Brent has always conducted himself in a manner that is respectful towards and inclusive of others. This is an essential quality for anyone dealing in the public domain... Brent epitomizes the notion of a collaborative leader.

It has been a pleasure to serve with Brent and I would recommend him to any Board or agency seeking a leader and professional that will bring wisdom and sound judgment to their team.

Sincerely,

Dickson Wood, Chair - Calgary Parking Authority
